Empowering Pharmacists in Asthma management through Interactive SMS

... Behind The Scenes Action!

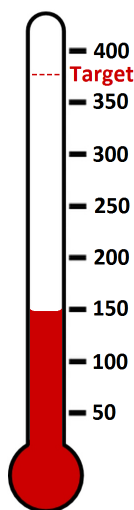

EmPhAsIS Study Updates:

Thank you to the hard work and determination of our **88 actively recruiting pharmacists** across BC. We currently have **220 participants enrolled**, more than halfway to our target of 370! Great job!

EmPhAsIS Special Recognitions:

- **David Lo** and his team from **Loblaw Pharmacy #1557** have recruited an astounding 41 patients into the study! Congratulations!
- **Advertising is key**, if you have your posters well in view, the patients who are interested will approach you.
- **Gerry Kang** and his team from **Loblaw Pharmacy #1561** for recruiting 5 patients over two months – fantastic!
- We are very excited to welcome 6 NEW pharmacists that have joined us over May, June and July 2016. Welcome to the EmPhAsIS team.
- Finally, a special thanks to each and every one of our pharmacists for their continued dedication to our study. Every patient makes a difference.

Featured Conference:

We will be giving a special EmPhAsIS presentation and study update at the College of Pharmacists of BC's Conference and Gala on September 17th, 2015. The presentations at this conference can provide up to **five hours of accredited learning** for pharmacists and pharmacy technicians. And it's FREE for pharmacy professionals in BC! Attend in-person, in beautiful Kelowna, BC, or through the event livestream with a Webcast Pass.
