To review how to recruit and screen a potential study participant,
please see the previous mini-webinar on:
"Baseline Procedures: Recruiting and Screening Patients"

To review how to consent and enroll a potential study participant,
please see the previous mini-webinar on:
"Baseline Procedures: Consenting and Enrolling Patients"

2

1. Provide Asthma Education to Patient

- As this is a real-world ('pragmatic') clinical trial, provide education according to your own practice
- Educational resources on asthma available website for both patients and pharmacists

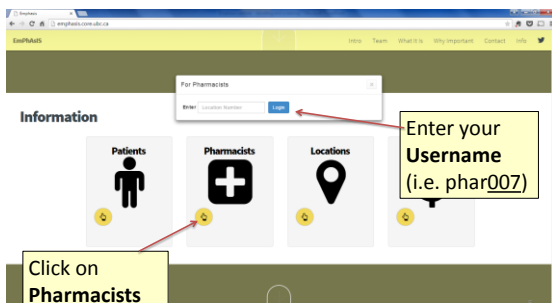

2. Registering Patients on WelTel

Go to the EmPhAsIS
study website:
emphasis.core.ubc.ca

2. Registering Patients on WelTel

2. Registering Patients on WelTel

2. Registering Patients on WelTel

The image shows the WelTel login interface. A yellow box labeled "Enter Username (i.e. phar007)" points to the Username field. Another yellow box labeled "Enter password (created by you)" points to the Password field. A "LOGIN" button is at the bottom. A link "Forgot your password?" is at the bottom right.

7

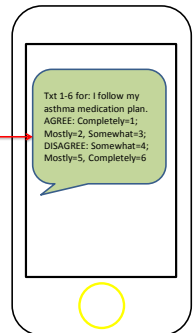

2. Registering Patients on WelTel

The image shows the "Add Patient" form in the WelTel system. Numbered annotations indicate the steps: 1. Click on Add Patient; 2. Enter full name; 3. Enter Patient Study ID; 4. Must be a cell phone number; 5. Click on 'Save' after completing the required fields; 6. Patient will receive first text message within a few seconds/minutes.

8

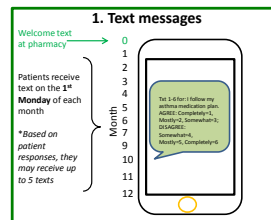

3. Initiating Text Messages

- Once patient is registered into the WelTel platform, they will receive a text message within seconds to minutes
- This is the same text message that they will receive on the first Monday of every month for the following 12 months

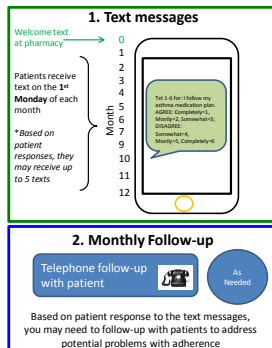

9

4. Inform Patient of "Next Steps"

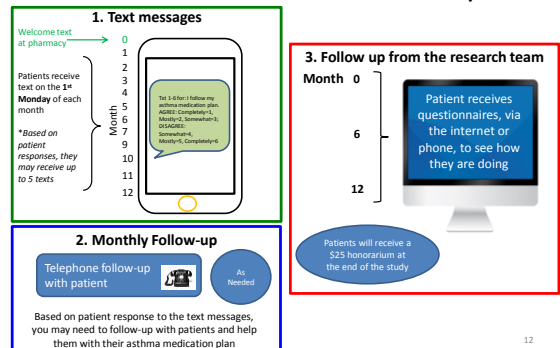

10

4. Inform Patient of "Next Steps"

11

4. Inform Patient of "Next Steps"

12

5. Provide Patient with Resources

- Before the patient leaves the pharmacy, make sure they have:
 - 1 copy of the **Participant Guide**
 - 1 copy of their signed **Subject Information and Consent Form** (stapled copy)
 - **Magnet**
- Remind patients they are able to visit the EmPhAsIS website for more information and resources for patients 

13

Congratulations!

You have now successfully registered a patient into the WelTel platform and the patient will now receive monthly text messages following their adherence!

For monthly follow-up procedures for pharmacists, please see next mini-webinar on:

“Follow-up Procedures: Intervention Pharmacy, Monthly Follow-up and WelTel Platform”
